

**Product ID:**  
RGK2

**Product Name:**  
17mm Steel Twistlock Karabiner

**The RGK2 is an extremely safe karabiner to use, as it locks automatically.**

Similar to the RGK1 in size and weight, the RGK2 is ideal for lanyards and aid climbing and has the extra twistlock feature.

This karabiner is also available with a captive pin (RGK2P) allowing for permanent fixture to the lanyard.
